

TWAS PRIZE FOR YOUNG SCIENTIST IN THE PHILIPPINES

The TWAS Prize for Young Scientist in the Philippines is an award given to an outstanding young Filipino scientist by the Academy (NAST) and the Third World Academy of Sciences (TWAS).

One award each year, consisting of US \$2,000 and a plaque, is given in the selected discipline for the year - biology, chemistry, mathematics, or physics.

For 2011, the NAST-TWAS Prize for Young Scientist in the Philippines will be given for Chemistry. For 2012, 2013, and 2014, it will be for Mathematics, Physics, and Biology, respectively.

A nominee must be:

- (a) A Filipino citizen;
- (b) Must not be forty one (41) years old within January to December in the year of the awarding;
- (c) Of good moral character;
- (d) Possessing at least a M.D. or Ph.D. degree;
- (e) Author or co-author of a significant number of original research and publications; and
- (f) Fully qualified for an OYS award.

Criteria for selection include:

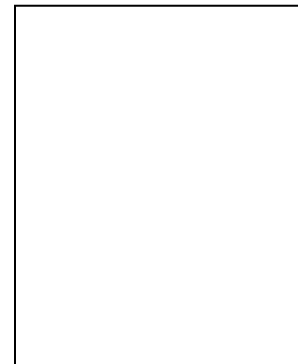

- (1) Quality and number of scientific works and publications;
- (2) Contributions to the well-being of the Philippine economy and culture.

Nominations for this award may be made by heads of government or private research institutions, departments of colleges or universities, or academic or professional scientific organizations or societies.

The deadline for submission of nominations is every last working day of November.
